

## POLYTECHNIC WINTER SCHOOL

January 22 – February, 2 2018

Electrical Engineering

Nuclear Engineering

Turbomachinery

[energyschool.spbstu.ru](http://energyschool.spbstu.ru)

Peter the Great Saint Petersburg Polytechnic University on behalf of the Institute of Energy and Transport System presents its new Winter School.

The School provides the opportunity to attend intensive academic program with lectures, company visits (CHP / NPP, industrial companies) and workshops from Russian and International experts.

All studies are developed according to the European requirements and can be recognized as a period abroad.

Upon successful completion of the course students are awarded with **5 ECTS credits**.

### Target audience

The School is opened for Russian and international students with specialized background in indicated subjects  
Participation fee (includes tuition fee, course material, company visits and cultural program)

**2 WEEKS - 40 000 RUB (approx. 550 Euro)**

### The cultural program includes:

- Excursion to the Hermitage, one of the world's largest and oldest museums of fine art;
- Music festival;
- Trip to Pushkin, the fascinating suburb home to the world-famous Amber room;
- Russian language & culture class.

### Accommodation:

not provided.

Can be booked at the university campus if free places are available, or found by participants independently.

Accommodation fee on the campus: approx. 600 RUB/day/person (double room)

### Deadline for applications:

- January, 14 (for RUS students / who don't need visa)
- January, 7 (for EU students)
- December, 3 (for the rest)

There is not enough space to enlist all the advantages of staying in Saint-Petersburg from marvelous architecture and variety of cultural events to friendly people and beautiful green landscapes. We may highlight a few best things about Saint Petersburg such as:

- Great city for sightseeing
- Exciting cultural and social life
- Brilliant architecture and stunning views to explore
- Picturesque surroundings and suburbs to go for a day
- Sparkling snow / traditional winter activities
- Modern cosmopolitan city
